Welcome to Data-Dynamix Email Marketing!

Follow the steps below to build and deliver the perfect email campaign:

1. Get a Free Count

First things first, **build your list!** Discover how many consumers match given demographics in a targeted location. Submit as many count requests as you like at no charge.

[Request a Count Now](#)

2. Build an Email Creative

Next, **design a beautiful email!** You can do this offline with your own creative skills, or use our online creative builder at no charge to design an elegant and impactful HTML email message.

[Build an Email Creative Now](#)

3. Order & Test

Use your list **count** and **creative HTML** to schedule your email campaign — including complimentary delivery tests to your own team. Once you approve your order for deployment, we'll take it from there!

Activate the "25k Targeted Emails" add-in for \$450.00 to deploy a blast to 25,000 unique email addresses matching the geographics and demographics of consumers you target!

[Order a Campaign Now](#)

4. Review the Results!

Within 24 hours after your email campaign deploys, statistics on opens and clicks will be available. Within seven days, a printable formatted report and clickmap will be provided, complete with a picture of your email message!

This is your Data-Dynamix email marketing campaign builder to grow your business and get your updated services or products out to your customers. You can manage your campaigns right in Solid Number dashboard. Once live then watch the results come in with our reporting systems!

Applying only takes a few minutes, and won't
affect your credit score!

This is a reminder of your Financial Funding Center access. You or any person or business you know submits the amount you or they are needing on the previous screen and then this screen of options appears. If you personally or your business needs any of these listed financial services apply and you will have someone call and email you within 1hr and find the best options for you at that time.
